

KINGDOM EXPANSION

2024

TRANSFORM CHURCH
vision offering 2024

our pastors

Transform Church is our home and you are our family. We are so blessed and honoured to be a part of an amazing community of faith that loves like you do, serves with passion, and has a heart for others.

We love you and appreciate you!

God is at work in the heart of Transform! We see it in all our people. The influence of this house is extending further and further and it is due to all of you who call Transform home.

So before we even talk about the future, we would like to thank you for your generosity, sacrifice and willingness to connect your heart to the vision of this house.

Our hope at Transform is that we continue to be more like Jesus; that our church would really reflect the heart and love of God; that this place would be not just a home for us but also accessible to people who have not attended church before, people who are far from God.

Together we can impact our world for good and for God.

Please take your time to read through this booklet. We request that you seek God and pray for our team, our pastors and leaders and the vision God has placed in the very heart of Transform for our future.

We then ask that you respond in obedience to your Saviour and Holy God. It is our combined desire to follow Jesus in His call to His church and we pray that all we do honours His name.

Love

Gregory & Shurnell

“I will give you
every place
where you set
your foot, as I
promised...”

JOSHUA 1:3

Trust God's Promise

When God made this promise to Joshua he asked him to be strong and very courageous and not be afraid because He assured Joshua that He would be with him. Like Joshua, as we step into new territory to expand God's kingdom, God is compelling us to take on that same assurance because what God promised will come to pass if we follow His leading.

GOD'S PROMISE:

God sees our future state and He speaks things from our future into our present. His promise is our beacon, and our hope as to what we can attain together. We must have confidence in His promise so that we can step out in faith as He leads us forward.

OUR FAITH:

Our faith is only active when we trust in God's promise and act on it. As God told Joshua you will get this land, but you NEED to be strong and very courageous. Like Joshua we need to have big faith in trusting God to help us build His kingdom. We have to step out on His promise so that we can inherit it. Joshua had to demonstrate his faith before he saw the promise become a reality.

As we trust God to move through us to bless, encourage and uplift those around us and those far from God we have to remember God's promise: *'Ask me, and I will make the nations your*

inheritance, the ends of the earth your possession.' (Psalms 2:8)

Transform is called to be a church that plants other churches to expand God's Kingdom and have influence over the nations. We are privileged that God has placed this in the heart of our church.

It has been almost a decade since this vision was birthed in us. We have been wandering it seems all this time and we now stand on the brink of the promised land. The time has come to take courage and be strong in our commitment to God; be strong in our commitment to the gospel; be strong in our commitment in our finances to build strong, healthy churches that have Kingdom Impact.

God is opening doors, the promised land is before us, let us boldly step through. Transform, we need to be absolutely confident in God's promise and exercise our faith.

A BIG
VISION

NOT YET IN A CHRISTIAN FAITH
COMMUNITY COME TO KNOW
THE HOPE AND LOVE OF JESUS
HERE IN AUSTRALIA AND IN
THE NATIONS

"I WILL BUILD MY
CHURCH"

JESUS (MATT 16:18)

How we will get there

Commit to praying for people to be raised as church planters and leaders

Pray for God-centred leaders to be raised up at our church plant

Prayerfully select a core team and others. Get permits and temporary location to soft launch

Together provide enough funds for the church launch to have either a building or lease a location and equipment to start

Officially launch a campus that will be a fully functioning church of Transform in the Philippines

TO IMPACT THE PHILIPPINES AND EMPOWER GENERATIONAL LEADERS TO MAKE CHRIST AND HIS KINGDOM KNOWN

**TRANSFORM CHURCH
THE PHILIPPINES**

Financial Resources are a powerful springboard that enables us to facilitate a church plant. God has always equipped His people with more than enough resources to build His kingdom

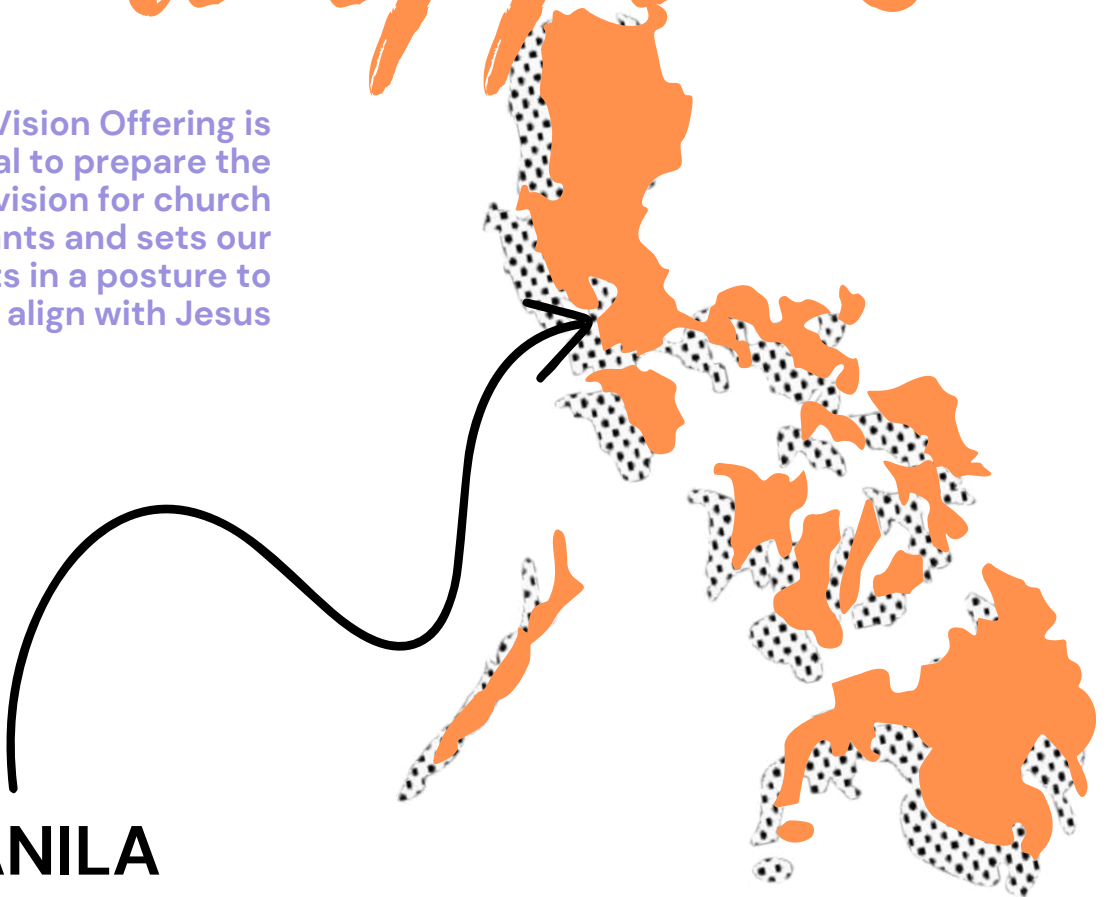

This comes from His generosity towards us in our lives and in turn He asks us to be generous to those who are far from God, so that we can work with Him to build His Influence.

We might not always be able to go, but we can certainly send and equip others, and we have just as much reward as those who physically go.

A seed of \$40,000 would facilitate a church plant's first year, enabling support for pastors, leasing, minor fit out of a building and required start up equipment.

The Philippines

Our Vision Offering is vital to prepare the provision for church plants and sets our hearts in a posture to align with Jesus

MANILA

LAUNCHING LATE 2024

TRUGANINA

We are still building the local church in Truganina. As we continue to grow, our hope is to fit out our professional kitchen. This will enable us to serve full meals so that you and your family have an opportunity to relax and spend some time getting to know people in a great environment.

We are also looking to raise funds to complete the entire building. As you know we are currently only using half our facility. We want to see our church here flourish in every season and we know this is in your heart as well.

**OUR HEART IS FOR
PEOPLE IN THIS
COMMUNITY**

OUR COMMUNITY

We are passionate about what goes on in our community, as we care for and want to impact people around us. We love what we do at Transform and we want more people to be a part of and assist our community in thriving. After all we strongly believe that God has strategically placed us here to impact and change lives and we want to fulfil that mission.

CAFE

Every time you make a purchase in our cafe, a part of that goes to meet the needs of a local community organisation. You are given a token and you can choose which charity we will support. The one with the most token wins!

CARE PACKS

COVID was a difficult time for all of us but we took the opportunity to help people who were doing it tough by providing Essential Care Packs to families in need. We have continued to keep providing this to any family in our community who needs it.

INTERNATIONAL STUDENTS

Being in a new country is difficult, especially as a young student. We want to help make a positive impact on young lives, so we are helping by engaging and connecting with students to bring faith and love to them.

NEXT

STEP

PRAY

Prayerfully consider what God has put in your heart for His kingdom. He provides us with enough resources to meet all of our needs and to also sow into His Kingdom

PREPARE

Prepare for generosity. Don't underestimate the power of budgeting for your generosity. God will always provide more than enough
